- Developed **interactive** and user-friendly dashboards in Power BI, providing clear views of **sales performance**, customer patterns, product trends, and daily operations through structured **data modeling**, Power Query transformations, and advanced **DAX calculations**.

CERTIFICATIONS

<u>Information Technology Institute (ITI): Power BI Development Track</u>	Nov 2025
<u>Hacker Rank Certified: SQL Basic, Intermediate, Advanced</u>	Sep 2025
<u>DataCamp Certified: Data Analyst Associate Certificate</u>	Jan 2026
<u>DataCamp Certified: Data Engineer Associate Certificate</u>	Jan 2026
<u>DataCamp Certified: Microsoft Azure Fundamentals (AZ-900)</u>	Feb 2026

TECHNICAL SKILLS

- SQL & PostgreSQL
- Python
- Microsoft Power BI
- Tableau
- Excel
- Looker Studio
- Microsoft Azure
- Snowflake
- Microsoft SQL Server
- Database development & administration
- Data Warehousing (DWH)
- Extract, Transform, Load (ETL)
- SQL Server Integration Services (SSIS)
- SQL Server Analysis & Reporting Services
- R
- Power Automate

SOFT SKILLS

- Analytical thinking
- Problem-solving
- Communication
- Teamwork

LANGUAGES

- Arabic (Native)
- English (Professional)
